

48th Henry Bontempo Four Ball
September 2nd - 5th, 2022

The 48th Henry Bontempo Four Ball will be held on Labor Day Weekend.

The cost for the tournament is \$225 per player, to be paid on qualifying day (Friday). The fee includes golf, carts, and lunch for the first three days, Friday September 2, 2022 to Sunday September 4, 2022.

If your team plays on the 4th day, Monday, September 5th, there will be an additional charge of \$45 per player. This includes your greens fee and cart for the day.

The format for the weekend is:

- Friday September 2nd - Qualifying with Scheduled Tee Times
- Saturday September 3rd - Scheduled Tee Times
- Sunday September 4th - Scheduled Tee Times
- Monday September 5th - Championship & Consolation Matches

Event Format: 18 Hole Best Ball of the team during Friday's Qualifying.

There will be qualifying flights. Ties for seeding of divisions will be decided by using the team's combined USGA handicap index with the lowest handicapped teams being seeded into the lowest division.

The low 32 teams will qualify for championship through third division. Championship through 3rd division will play "scratch" golf during tournament play. For the fourth division and lower, these teams will play 80% handicap after the (5) stroke differential is applied.

Each team's position for qualifying will be determined by that teams combined handicap after the (5) stroke differential is applied. Teams qualify within their flights to break into match play divisions. The defending champions from last year's Bontempo Tournament automatically are the number 2 seed in the Championship flight.

You can prequalify earlier in the week but Pre-Qualifiers are not eligible for the Championship Division. We are limited to 48 teams for the popular PM tee times for Friday and will accept applications requesting that session on a first-in basis.
